

Proclamation Muscular Dystrophy Awareness Month September 2017

Muscular Dystrophy is a group of neuromuscular disorders that have no known cure. In almost all cases, there are few treatments and no way to stop the disorder's progression. Muscular Dystrophy Canada is a national, non-profit organization committed to funding research into the causes, treatments, and eventual cure of neuromuscular disorders, as well as providing services to people with neuromuscular disorders and public education.

WHEREAS: People today have the opportunity to live longer lives because of breakthroughs in medical research, and;

WHEREAS: Muscular Dystrophy is a neuromuscular disorder that affects many and has no known cure, and;

WHEREAS: Only through the support of the community may a cure be found;

NOW THEREFORE I, Mayor Norm Mayer, on behalf of City Council of the City of Camrose, do hereby proclaim September 2017 as "*Muscular Dystrophy Awareness Month*" in the City of Camrose.
