FUNCTIONS/DUTIES: (but not limited to):

- Provide leadership, oversight and direction related to General Accounting, Accounts Payable, Investments, Cash Management, Expense Management and Customer Service (including Reception).
- Provide operational administration and functional support for UNIT4 ERPx, including user access and security, system integrations, and the identification, testing, and implementation of system enhancement.
- Provide effective leadership by fostering a positive, accountable, and collaborative team culture, while supporting employee development and performance.
- Coordinate and support the annual financial audit, including preparation of reconciliations, responding to auditor inquiries, and providing supporting schedules such as trial balances and detailed general ledger reports.
- Coordinate and review monthly GST returns as well as annual review of fees and charges to ensure ongoing compliance with CRA requirements.
- Manage CRA online access for staff and ensure efficient processing of related transactions.
- Perform additional related duties as required.

QUALIFICATIONS:

- Post-secondary degree in Business, Commerce, or a related discipline.
- Professional Accounting Designation (CPA) or working towards obtaining this designation.
- A minimum of five (5) years of progressively responsible experience with respect to accounting in a business or municipal environment.
- Experience with enterprise financial systems and system administration is preferred; experience with UNIT4 is considered an asset.
- Excellent leadership and communication skills (oral and written).
- Strong computer skills using financial systems and Microsoft Office applications.
- Ability to evaluate, investigate, and interpret financial and operational data.
- Excellent customer service skills, including experience managing difficult situations.
- Ability to maintain a high level of confidentiality.
- Strong organizational and time management skills.
