

**Instructions:**

In accordance with Council Motion # 716/12 which was approved by City Council on November 13<sup>th</sup>, 2012, a fuel “flowage fee” has been implemented for the Camrose Municipal Airport for any externally sourced fuel that is bought onto and/or dispensed on the airport property, at a rate equivalent to the 18% markup imposed on municipally-sourced 100LL aviation fuel.

Users should use the attached form when tracking and reporting their usage of externally sourced fuel. Reports are to be submitted to the City on an annual basis, at a minimum, or more frequently if higher volumes of externally-sourced fuel are used.

Completed forms are to be sent to:

City of Camrose  
Engineering Services Department  
5204-50 Ave.,  
Camrose, AB  
T4V 0S8  
Attention: Airport Manager

I hereby certify that the information on this form is a true and accurate account of the externally-sourced fuel that I have used.
