

City of Camrose Toilet Rebate Program The Check-List

This Check-List is simply to help ensure that all requirements have been fulfilled. This document does not need to be submitted to the City of Camrose to receive the rebate.

- “Toilet Rebate Form 2024” completed as accurately as possible to my knowledge, and signed by me, the applicant. *If I am a tenant, I have also obtained the signature of the owner of the property.*
- Submit “Toilet Rebate Form 2024” to the Toilet Rebate representative on the second floor of City Hall’s Infrastructure and Planning Department (5204 - 50 Avenue) before the cutoff date, September 30, 2024 at 4:30 p.m.
- Ensure the toilet being replaced has capacity that is greater than ten (10) liters per flush.
- Purchase a low-flow toilet of capacity six (6) liters per flush or less, and with a MaP score of 800 or greater. *Unsure if the toilet you wish to purchase meets these requirements? Please contact the business you are going to purchase from.*
- Submit the original receipt of your toilet purchase to the City before October 31, 2024 at 4:30 p.m.
- Provide a “before” photograph of my older, high volume toilet that was previously installed in my home submitted to the City before October 31, 2024.
- Provide evidence to the City that the old toilet was made unusable before October 31, 2024.
- Submit an “after” photograph of the new toilet installation in my home before October 31, 2024.
