

City of Camrose Toilet Rebate Program The Check-List

This Check-List is simply to help ensure that all requirements have been fulfilled. This document does not need to be submitted to the City of Camrose to receive the rebate.

- “Toilet Rebate Form 2020” completed as accurately as possible to my knowledge, and signed by me, the applicant. *If I am a tenant, I have also obtained the signature of the owner of the property.*
- “Toilet Rebate Form 2020” submitted to the Toilet Rebate representative on the second floor of City Hall’s Infrastructure and Planning Department (5204 - 50 Avenue) before the cutoff date, September 30, 2020 at 4:30 p.m.
- Ensure the toilet being replaced has capacity that is greater than thirteen (13) liters per flush.
- Purchase an approved low-flow toilet of capacity six (6) liters per flush or less. *Along with having a capacity of six (6) liters per flush or less, the toilet must also be found on the Approved Toilets 2020 List. (If toilet purchased is different from the one on the submitted “Toilet Rebate Form 2020” due to availability or other circumstances, please include a note highlighting the change.)*
- Submit the original receipt of your toilet purchase to the City before October 30, 2020 at 4:30 p.m.
- Provide a “before” photograph of my older, high volume toilet that was previously installed in my home submitted to the City before October 30, 2020.
- Provide to the City evidence that the old toilet was made unusable before October 30, 2020.
- Submit “after” photograph of the new toilet installation in my home before October 30, 2020.
