

Instructor Jayda Calon Bio

Hello, my name is Jayda! I am an art teacher at the Chuck Maclean Art Centre. I grew up just outside of Camrose, graduated from the Camrose Composite High School, and attended Augustana for the first two years of my Fine Arts Degree. I recently graduated from the University of Alberta Main Campus in Edmonton in April 2021 with a Bachelor of Fine Arts with Distinction. During my degree, I enjoyed working and experimenting with many different mediums like collage, drawing, and painting. Some areas I specialize in are acrylic painting and figurative clay sculpture. To check out my work please feel free to visit my Instagram @jalonart. I enjoy teaching and I aim to use my passion for art and working with kids to inspire youth through arts education and create a youth arts community within the City of Camrose.
