### Paints

- Either of these sets are great for beginners. The pros of the ideal set are that it comes with a black and a few more color options for a little more money.

### Brushes

- Have at least 3 brushes; small, medium, large. Having a good set of brushes is important and worth it. You will end up spending more on replacing the lower quality ones than buying a good quality brush in the first place.
  - #4 Round (21.8 cm)
  - #6 Round (22.7 cm)
  - #8 Round (23.8 cm)

## Paper

- The ideal size of watercolor paper would be 11" x 15" so we have room to work with and we can create nice borders. A minimum of 9" x 12" paper size would also work.
