Describe the nature of your business in detail:

Home Occupation means the *accessory use* of a principal *dwelling*, or a combination of a principal *dwelling* and *garage*, to operate a business which may generate more than one business associated visit per day. The business *use* must be secondary to the residential *use* of the *building* and not change the residential character of the home which it occupies.

Home Office means the *accessory use* of a principal *dwelling* to operate a business which does not require business associated visits; does not require any non-resident persons employed within the *dwelling*; and does not extend the business activity to the outside yard. The business *use* must be secondary to the residential *use* of the *building*.
