

LABOURER 3 – UTILITIES (TEMPORARY)

The City of Camrose is seeking a 7-month seasonal Labourer 3. This is a temporary position in the Utilities section of the Public Works department. This position will be primarily responsible for the operations and maintenance of the Wastewater Lagoons system. This is a unionized position under CUPE Local 1425.

FUNCTIONS:

- Perform operations and maintenance of the Wastewater Lagoons System. Duties will include, but are not limited to lab testing, wastewater sampling, lagoon treatment monitoring, irrigation and evaporation control, air quality testing, soil testing, piezometer monitoring, vegetation control, wastewater sampling and flow monitoring;
- Documentation management and record-keeping.
- Other related duties as assigned.

QUALIFICATIONS:

- Grade 12 Diploma or GED.
- Understanding of compliance regulations with Alberta Environment and Parks and Environment Canada guidelines and approvals in regards to wastewater systems.
- High ability to understand and comprehend tested numbers and to perform work with accuracy.
- Reliable with a strong work ethic with the ability to work independently or in a team setting unsupervised.
- Work experience and formal training in water utilities and water testing would be considered an asset.
- Valid Class 5 driver's license.

HOURS OF WORK: Hours of work include shift work that totals up to 80 hours every two weeks. Work shifts will vary and be on a rotating basis, including early morning, late evening, weekends, and statutory holidays.

HOURLY WAGE: \$23.52 per hour in accordance with CUPE 1425 Collective Agreement.

APPLICATIONS: Individuals interested in this position are invited to submit a cover letter and resume to the address below by April 10, 2019 at 5:00 p.m.
